Dear Workforce Customer:

In order to provide you with prompt, professional service, we have established criteria for managing credit. The following outlines the necessary procedure we have adopted for the purpose of providing our services to our customers.

CREDIT POLICY

1. Credit applications must be returned to Workforce before any services are rendered.
2. **Terms and Conditions** (Terms and Conditions for sales include the following):
 - A. Open Account - Net 15 days from the date of invoice
For those customers not on Open Account in A;
 - B. Cash on Delivery - Cheque, Bank Draft, Money Order
3. **Credit Limits** - Workforce will establish Credit limits for customers who wish to purchase on an Open Account basis. To obtain an Open Account, you must complete a Credit Application, which we will keep on file and update annually.
4. **Credit Hold** - It is Workforce s policy to process customer orders promptly. In some cases, however, it may be necessary for our Credit Administration Section to place an order on hold. The following outlines the procedures should this occur, and the actions that will ensure your line of credit is established A.S.A.P.
 - A. **New Account** - In the event that an order has been placed and the initial credit limit of \$1000 has been reached, but credit information has not been received, the account will be placed on Credit Hold. Complete and satisfactory credit information must be submitted on Workforce s Application for Credit before personnel can be dispatched.
 - B. **Account exceeding Current Credit** - If your existing Credit Limit has been reached or exceeded, your payment history will be reviewed. If at this time your credit cannot automatically be increased, Workforce will require and process updated credit information from the customer. Payment to reduce the balance to an acceptable level will be required if credit cannot be increased.
 - C. **Past Due Accounts** - Should your open account balance exceed the 30th day and become delinquent, you will be notified by Credit Administration. Should your account become 60 days past due, your account may be placed in Cash on Delivery and you will be notified of the amount of payment needed to reopen your account. When payment is received, Workforce may reopen your account.
5. **Lack of Substantive Credit Information** - Until such time as sufficient information is received you will be Cash on Delivery status until credit worthiness is otherwise established.
6. **Non-Performing Credit History** - Customers who have not performed satisfactorily within their previously established credit and terms of sale will be placed on Cash on Delivery status if they have no balance owing. Terms of sale for those with an outstanding balance will be Cash on Delivery plus payment of a determined percentage of the outstanding balance.
7. **This policy is effective immediately.**
